

### **APPLICATION PROGRAMS**

---

Illustrator CS6  
Photoshop CS6  
InDesign CS6

*Please provide vector artwork when possible.  
Due to the nature of our production, if you are sending  
raster images (Photoshop files) please send the largest  
files available.*

### **OPERATING SYSTEMS**

---

Mac OS X

### **COMPUTERS**

---

MacPro

### **ACCEPTABLE FILE FORMATS**

---

Preferred: AI, EPS  
Secondary: TIF, JPEG

\*Although there are many acceptable file formats, we prefer  
to work in program native file formats or EPS.

### **SCANNABLE ART**

---

Paper  
Transparencies  
Slides  
Negatives

### **IMPORT/EXPORT DEVICES**

---

CD  
DVD  
FTP

These guidelines are sufficient for design purposes only. If there is a question as to whether the art is correct for production purposes, please contact Mark Beeching.

### **SEND FILES**

---
